**Prayers to Apply the Blood of Jesus Against Witchcraft and Demonic Oppression**

By Dr. Daniel Okpara

The Blood of Jesus speaks better things than the Blood of Abel. His Blood speaks justification, freedom, deliverance, healing, and eternity with God. The Blood is God's last card for man's deliverance. It is through His Blood that I have redemption, forgiveness, and the power to overcome the forces of darkness. His Blood is the seal of the New Testament. The proof of my access to God's mercy, grace, and love. The Blood empowers me to have victory over any battle I face. When the Blood of the Lamb came on the scene the powers of Pharaoh was defeated. He gave up and allowed the Israelites to leave. I will make these declarations releasing the power of the Blood in my life. The atmosphere will be sanctified, and my home will witness Jesus in a new way. Remember the life of every being is in the Blood. The whole essence of Christ is revealed when His Blood is released in faith. As I pray and declare these prayers over me, every stubborn situation in my life will bow. The enemies who have held on to my miracles and deliverances and breakthroughs will give up. The powers of witchcraft will be destroyed. Jezebel, Delilah, and Ahab will quit my home. I will arise from my sickness and be healed. I will enter a season of victory upon victory. I will receive a special impartation from Jesus. I will read this prayer over and over and be in agreement while seeking the Heavenly Father.
